**Swachhata Pakhwada Report for 30.12.2025**

The importance of Swachhata Pakhwada and role of CIAE-Regional Station, Coimbatore was briefed on 30.12.2025 during the 33<sup>rd</sup> Scientific advisory committee meeting held at ICAR-Krishi Vigyan Kendra-MYRADA, Gobichettipalayam, Erode, Tamil Nadu. Some of dignitaries present are as follows:

Dr.Shaik N.Meera, Director, ICAR-ATARI, Zone-X, Hyderabad.

Shri. Arvind G. Risbud, IAS., (Rtd) Executive Director, MYRADA, Bangalore

Dr. P. P. Murugan, DEE, TNAU, Coimbatore.

Representation from various state organisation were present. Totally about 100 people were participating in programme. Dr. Ravindra Naik, Principal Scientist and Head(i/c), and Dr. T. Senthilkumar Principal Scientist, ICAR-CIAE, RS, Coimbatore were involved in the programme.

The Swachhata awareness campaign was also conducted at the HQ ICAR-CIAE, Bhopal. The cleanliness drive was conducted in the Research Workshop and nere by premises to create awareness about maintaining a clean, healthy, and organized workplace. The programme witnessed active participation from AMD staff, other CIAE staff members, students, and representatives of the print media, reflecting a collective commitment to workplace cleanliness. Participants actively contributed to cleaning the premises and spreading awareness about proper sanitation practices. To ensure wider outreach, news material highlighting the objectives and activities of the programme was prepared and shared with the print media for larger coverage.
